SCHOOL CPD (IN-HOUSE) PRESENTATION

Schools often face a number of issues that cover a broad spectrum from structure and governance, charitable registration and endorsement, enrolment contracts, debt recovery, discrimination issues, staffing/employment issues, child protection and licensing and hire arrangements.

Quite apart from that, Schools are required to train their staff so they know the risks and liabilities associated with various legal matters and can carry forward their duties mindful of these issues.

If your school needs to provide a Professional Development session to your staff, we can help. Our fixed fee offering includes:

- 2-3 hours preparation by our Lawyer, including reading your relevant Policy to ensure that the presentation is specific to your school and liaising with you as to any school specific needs;
- 2 hour presentation at your School (including time allocated for Q&A)
- Provision of PowerPoint, and a reference paper for all staff to take away with them;
- Travel time to and from your School (only for within the Greater Brisbane area)*

**Schools located outside the Greater Brisbane area will be charged travel time at a discounted rate.*
