Memorandum on information privacy law

Organisations such as schools, businesses, restaurants, cafes, churches and their related entities must pay attention to how privacy affects their obligations and expectations to ensure that the privacy of the individual is of principal importance.

Pathways for when international student visas expire

If a student visa has expired, and the student is currently unlawful in the community, there are pathways to resolve their status. Action must be taken within 28 days (from the last held substantive visa) to explore these options.

DOES YOUR SCHOOL ENROLMENT CONTRACT NEED A REVIEW?

The enrolment contract is an important document for school administration and parents.

It outlines the legal arrangement between a school entering into a contract with the parents or guardians for the provision of services.

For more information on our School Enrolment Contract review package, please contact our [Client Engagement Team](#) or call us on [\(07\) 3252 0011](tel:(07) 3252 0011) to book an appointment with one of our Schools & Education Lawyers today.
