Newsletter vol.3 / December

*Thank you for Subscribing!*

## **HOLIDAYS ARE HERE**

Our last newsletter for 2023 covers litigation articles. We take this opportunity to thank you, our subscribers for your support. We wish you a merry, festive season with bright lights, blessing & good cheer.

## Our Latest Articles

### ***Employers owe a duty to appropriately accommodate breastfeeding workers***

A Kentucky Fried Chicken ('KFC') franchise were recently told to appropriately accommodate a breastfeeding manager, where conditions imposed were to her disadvantage.

[Click here to read!](#)

---

### ***Unfair contract protections significantly bolstered by amendments to federal laws***

Not all parties to commercial transactions are equivalent in bargaining power. As an attempt to mitigation such imbalances, a Court declared void and unenforceable contractual terms considered unjust.

### ***Push for changes to privacy law***

A valuable opportunity to consider the privacy and security of your congregants' or customers' personal information. Over the last 3 to 4 years, we have seen companies customers' private information become compromised after monumental data security breaches.
